

Motor Oil & Lubricants

## REXOIL FULL SYNTHETIC SCOOTER 4T 5W-40 SN JASO MB

**REXOIL FULL SYNTHEHTIC SCOOTER 4T 5W-40 SN JASO MB** is an engine oil formulated to meet the latest requirements of modern scooters equipped with dry clutch automatic transmission systems with high performance additives and synthetic base oils. It causes less evaporation in engine oil with its low volatility properties. It lubricates in a wide temperature range with its high viscosity index. It provides lower emission formations.

### Properties

- Even when the engine is not running for a long time, the oil film formed on the metal reduces wear.
- Keeps the engine's most sensitive parts clean thanks to its advanced detergent and dispersive additives.
- Its high viscosity index maintains viscosity and lubricity even under harsh driving conditions, helping to ensure the longevity of all moving parts and significantly reducing the need for engine service.
- Even in wet or humid conditions, effective rust and corrosion control keeps all parts in good condition. Thus, it reduces the high maintenance cost

### Approvals and Specifications

- API SN
- JASO MB

### Technical Specifications

Test	Method	Typical Properties
Colour	Visual	Red
Viscosity Index	ASTM D2270	Min. 155
Flash Point, °C	ASTM D92	Min. 210
Pour Point, °C	ASTM D97	Max. -36
Kinematic Viscosity (100°C), [cSt]	ASTM D445	12,5-16,3
